

## CUSTOMER NOTICE

### Adjustment of Terminal Handling Charge (THC) North and Central China

Dear Valued Customers,

Please be informed that the Terminal Handling Charge (THC) for North and Central China will be adjusted with effect from April 9, 2009 as follows:

1. These charges will apply to all cargo handled through North and Central Chinese ports to and from all worldwide origins and destinations excluding the Transpacific trade.

20' GP	40' GP	40' HQ	20' Reefer	40' Reefer	HQ Reefer
RMB 460	RMB 720	RMB 720	RMB 500	RMB 770	RMB 770

The new Terminal Handling Charge is applicable to:

1. Export shipments: Cargo loaded on board on/after April 9<sup>th</sup>.
2. Import shipments: Cargo loaded on board on/after April 9<sup>th</sup> at port of origin.

Your continuous support on our extensive worldwide services is greatly appreciated. Please feel free to contact our Customer Services or Sales colleagues for further information and assistance.

Yours faithfully,

Hapag-Lloyd (China) Shipping Ltd.
